Family Incident Action Plan will help you to protect your family by preparing at home. Below are some helpful tips:

**FAMILY IAP**

- Identify Family members who are at high risk
  - include: elders 60+, infants and young children ages 0-5, anyone with pre-existing conditions.
- Limit social interactions
- Wash Hands often & limit touching your face
- Stay healthy by eating healthy nutritious food & drinking water
- Keeping your house clean often with disinfectants that contain bleach
- Prepare 2 weeks supply of food & water for your family
- NURSE HOTLINE: 877-617-0395
